MEMORANDUM FOR: Chief, Management Staff

SUBJECT : Revisions of [REDACTED] Training Mission

REFERENCE : Memorandum from Personnel Officer, DD/P,
FE Division, dated 16 April 1954, same
subject

1. The proposed Table of Organization for the [REDACTED] Training Mission has been reviewed and discussed with FE Division representatives.

25X1A6a

2. All the requests for the upward reclassification of existing positions are in the proposed Administrative Division. Inasmuch as the T/O does not reflect any expansion of the Mission's function or program, it does not appear likely that these higher grades are justified.

3. The grades and titles of the proposed T/O are approved as submitted, except for those positions in the Administrative Division which reflect an upgrading. These latter positions are approved at their present levels with the request for higher allocations to be resolved upon receipt of position descriptions from the Mission.
